service information

T2M Building Maintenance Services

Do you need a reliable company to come and maintain your building/house? T2M Building Maintenance Services offer a comprehensive, reliable and professional service for all of your needs.

Our building maintenance is based on a thorough, planned approach that is designed to stop any nasty and expensive problems arising unexpectedly. Our professional staff will come in and do an exhaustive check of your facilities and develop a maintenance matrix to suit your needs.

We will take on just about any job no matter how large, no matter how small, including:

- painting
- carpentry
- plumbing
- electrical
- plumbing
- roof repairs
- sullage removal
- glazing including mirrors
- signage maintenance
- pest control
- floor coverings maintenance
- door, hinge and lock furnishing maintenance
- repairing fences, gates and carpports
- installing safety guards, anti-slip and handrails
- minor repairs to plaster and brickwork
- repairs to security screens and fly wire

All work is undertaken by trained people who meet the standards we set ourselves.

T2M Building Maintenance Services is not only a go to service for quality and price, it is also a social enterprise designed to give back to the local community by employing locals who have struggled to maintain contact with the labour market. Our vision is that everyone deserves a second chance through employment and training opportunities and we achieve this through partnerships with local employment and training providers.
