- **sweeping and vacuuming**
- **mopping of hard surfaced floors**
- **floor re-surfacing**
- **steam cleaning carpets and upholstery**
- **cleaning all surfaces and furnishings**
- **polishing fixtures and furnishings**
- **drapery and blind cleaning**
- **complete bathroom and kitchen cleaning**
- **watering plants**
- **window cleaning**
- **pest inspection**
- **gum, graffiti, odour and stain removal**
- **rubbish removal and bin treatments**
- **recycling services**
- **supply of of bathroom consumables**

With T2M, you get a guaranteed free quote for any job no matter how small or how big.

T2M is environmentally conscious and makes use of dry mopping techniques which minimises the use of chemicals and is a safer method of cleaning overall.

T2M Cleaning Services offers a qualitatively different service from other businesses. We:

- Focus on employing those who are struggling to re-enter the labour market
- Partner with local employment and training services to offer a comprehensive training service for those wanting to join us.
- Are a not-for-profit company where our surpluses are ploughed back into growing the social enterprise.
- Are a local company with a focus on helping disadvantaged local people.
