## service information

### T2M Gardening Services

**Our experienced team will maintain your investment by maximising the presentation of your landscape environment through efficient, professional and cost effective service.**

We offer a range of services, which meet the needs of our customers with requirements ranging from large area mowing to general lawn and grounds maintenance for commercial, industrial, strata, government and residential customers.

- **Garden Makeovers:** Are your gardens a mess or in need of some changes? We can deal with weeds, remove tired plants and re-plant your gardens so they become beautiful spaces.
- **Regular garden maintenance:** The ultimate way to keep your gardens looking great. You can have consistent access to help from an experienced garden maintenance service.
- **Weeding & Weed control:** Do you have weed problems? T2M have years of experience in dealing with all types of weed situations.
- **Planting of shrubs:** T2M can supply the right plants for your situation and plant them out correctly.
- **Mulching of gardens:** We can apply all types of mulch to your gardens so that they are healthier and look good at the same time.
- **Fertilising:** Supply and application of the best products to suit your gardens so that they grow beautifully.
- **Trimming & pruning:** We have the equipment and experience to maintain hedges, prune your roses and keep your gardens in good shape.
- **Container plantings:** We have a passion for growing spectacular potted and large container plants. The possibilities are endless. Enhance your garden or outdoor space and provide greenery or colour.
- **Lawn mowing**
